Discussed current year's trail project ideas:

Joe Rechsteiner floated an idea for funding trail work on trails at Red Canyon Visitor Center. He said his proposal will ask for \$2000.00.

Steve Robinson, also representing the Cedar City Ranger District, brought a proposal. His request would fund the "Dixie Riders" volunteer OHV patrols for 2011.

**The committee is seeking additional project ideas - we have dollars to spend on our county trails! All trail projects requesting funding must submitted via the "contact us" link on the Garfield County Trails Committee website by March 15th, 2010.**

All proposals will be posted in PDF format on the Trails committee website so that members can evaluate them. All proposals will then be voted on by members at the next meeting scheduled for 7:00 PM, April 14th, 2010 at the Cannonville Visitor Center.
